Preface

Originally prepared as two separate bibliographies, A Bibliography of Louisiana State University Theses Pertaining to Louisiana, 1955-1969 and A Bibliography of Louisiana State University Theses Pertaining to Louisiana, 1970-1980, this publication includes the separate bibliographies and a subject index for the two bibliographies. In this publication the bibliography covering the period 1955-1969 is referred to as Bibliography I; the one covering the years 1970-1980 is Bibliography II. Each entry in the bibliographies includes the author's name, title of the thesis, date of the thesis, and the major subject area. Theses written on the subject of social work may have joint authors. In this case, each author is entered separately.

Entries in the subject index include the name of the author of the thesis followed by the number (I or II) of the bibliography which contains the complete bibliographical information.
